

Reimbursements available for law enforcement trainings

Law Enforcement is one of three COMPACT Audit Topics for 2015 and the focus is on use of force, false arrest, pursuits, and Tasers. WCIA will be reimbursing our members for participation in a limited number of schools, institutes and certification programs. For details go to:

<http://www.wciapool.org/education-training/reimbursement> (NOTE: You must log in to the WCIA website to access this link)

In addition to our own regional law enforcement trainings, Member Services has partnered with WASPC, CJTC, CIT, LEIRA and LERN to support liability through their education platforms. Attending any of the following trainings will meet the 2015 Law Enforcement Audit Topic Training Requirement:

- WCIA Law Enforcement Liability Update (Practices and Personnel)
- WASPC – Best Practices for Law Enforcement Executives
- CJTC – Crisis Intervention Team Training (CIT) – Force Options, Basic 40HR King County & Statewide, 8HR In-Service King County & Statewide, Youth 8HR, Mental Health First Aid for Criminal Justice, and 911/Dispatch Train-the-Trainer
- CJTC – Annual NW Command College & Executive Training Day, Pre-Supervisors, First Level Supervision, and Middle Management
- EVOC – Emergency Vehicle Operating Course (to be scheduled by individual member-not WCIA)
