

Parks and recreation education

To help our members meet their COMPACT training requirements, WCIA is offering multiple parks and recreation certifications, accrediting and education opportunities through the following WCIA programs:

Co-sponsored/Reimbursed Programs

- Aquatic Facility Operator (AFO) Certification
- Certified Parks and Recreation Professional or Executive
- Certified Playground Safety Inspector (CPSI)
- INPRA PNW Resource Management School
- ISA - Certifications
- ISA - Tree Risk Assessment Qualification
- NSPF Certified Pool Operator (CPO) Certification
- WRPA Risk Management School
- WRPA Pacific NW Aquatics Conference
- WSU – Integrated Pest Management (IPM) Programs

All co-sponsored and reimbursable programs are advertised to our members as they occur. Registration links are provided through our website www.wciapool.org, click *Education & Training*, next click *Training Calendar*, and sort by Parks and Recreation to view all pertinent courses.

New Regional Training Offerings

Dates have been secured for the following parks and recreation trainings:

- July 26 - Volunteers Risk Management 101
- August 8 - Senior Centers Risk Management 101
- August 23 - Special Events Risk Management 101

Registration is available through our website www.wciapool.org, click *Education & Training*, next click *Training Calendar*.
