New Bylaws may be adopted or these Bylaws may be amended or repealed by the affirmative vote of a majority of the entire Board, except as otherwise provided by the Interlocal.

ARTICLE VI. ASSESSMENT DETERMINATION AND APPEAL

SECTION 1. ASSESSMENT DETERMINATION.

The Authority pre-funds its financial obligations by annually assessing its members their proportionate share of expected losses, expenses and reserve contributions. The total Authority assessment will be developed by an actuary. Funding is expected to keep pace with loss and expense projections to insure adequacy of reserves. Notices of new assessments shall be made by mid-year for member budget purposes.

- (a) Individual assessments are determined through a rating formula based on each member's own loss experience, multiplied by its reported worker hours for the preceding calendar year.
- (b) Stability of rates has value to a municipality and maximum and minimum rate changes are applied to decrease the effects of a single bad year.
- (c) A final modifier may then be applied by staff to reflect any unusual or significant changes in a member's risk profile.

- (d) Only the accuracy of the data used in an assessment determination (loss experience, number of worker hours or arithmetic error) and the application of the data to the assessment formula is appealable. Neither the actuary's methods of prediction nor the use of worker hours as the multiplier may be challenged, except in the event incorrect data or arithmetic error is claimed to have occurred. A member's choice to change the method of reporting worker's hours to the Department of Labor & Industries after the member has submitted its worker hour report to the Authority for assessment purposes is not a basis for appeal. Affordability of the assessment is not a valid basis for appeal.

(Article VI. Section 1. (d) created and approved 5/13/98, effective 5/13/98.)

SECTION 2. APPEAL PROCESS.

Any written notice of assessment determined through the process described in Section 1 of this Article VI shall be deemed final and uncontested unless the procedure for appeal, provided hereafter, is followed by the member. The following procedure for such appeal shall apply in all cases.

- (a) Any member in disagreement with the data used may appeal for reconsideration to the Executive Director. The appeal must be initiated within thirty (30) days following mailing of the written assessment notice. If an appeal is not initiated with thirty (30) days as provided herein, a member shall be deemed to have waived any further right to appeal the assessment.
- (b) An appeal is deemed initiated for purposes of this article when the member serves a written Notice of Appeal upon the Executive Director. The written Notice of Appeal shall include the following information:
- (1) The name of the member initiating the appeal;
 - (2) A brief statement of facts identifying what portion of the data base is being appealed and the reasons why the appealing party feels the data is incorrect. A copy of the assessment formula may be attached by reference; and
 - (3) The signature of the party initiating the appeal.
- (c) Within forty-five (45) days after an appeal has been initiated, a meeting of an Appeals Committee shall be convened to hear the appeal. The Committee shall be appointed by the President, made up of five members chosen from the Board with two (2) year terms from large/small and east/west members. Notice of the hearing date shall be sent to the appealing party not less than fifteen (15) days prior to the hearing date. The Committee chairperson shall have the authority to set hearing dates and grant continuances where good cause may be shown.
- (d) The hearing by the Appeals Committee may occur when a quorum of the Committee is present. Voting by the Committee and the procedures for the meeting of the Committee on the appeal hearing shall be as provided in Article II, Section 9 and 10 of these Bylaws, except if the member initiating the appeal is a member of the Appeals Committee, then the Committee Member from the appealing member shall abstain from participation in or voting on any aspect of the appeal.
- (e) The hearing of the Appeals Committee on the appeal shall proceed as follows:
- (1) The Committee Chairperson shall administer the hearing and make all necessary procedural rulings during the hearing;
 - (2) The appealing party or his legal representatives, if any, shall proceed first explaining the reasons why the party disagrees with the data used in the assessment determination. The appealing party shall present to the Appeals Committee all evidence, testimony, argument and legal authority

relevant to support his appeal to the Appeals Committee. Thereafter, the Executive Director may present all evidence, testimony, argument and legal authority relevant in opposition to the appealing party's position. The Committee Chairperson shall allow one opportunity for rebuttal and argument to each side thereafter;

- (3) Following the presentation of evidence, testimony, argument and legal authority the Appeals Committee may retire into executive session to discuss their consideration of the appeal. Thereafter, the Appeals Committee shall reconvene in public session to consider and vote on any motion made to determine the appeal. The decision of the Appeals Committee shall be transcribed and signed by the Committee Chairperson and a copy thereof sent to the appealing party within seven (7) days following the final decision of the Appeals Committee; and
 - (4) The Committee Chairperson may adjourn and reconvene any hearing on an appeal as may be necessary to preserve a fair hearing.
- (f) The decision of the Appeals Committee is final, with no further appeal process to either the Executive Committee or the full Board available.

(Article VI Section 1 & 2 created and approved 8/11/88 by Resolution 94-88 effective 8/11/88.)

ARTICLE VII COVERAGE DETERMINATION AND APPEAL

SECTION 1. COVERAGE DETERMINATIONS.

It shall be the duty and responsibility of the Executive Director, acting on behalf of the Authority, to make all initial determinations regarding rights to coverage and protections provided in the Joint Protection Program. Such determinations shall be made according to the procedures set forth in this Article and subject to the right of appeal set forth in Section II of this Article.

- (a) Upon receipt of notice of a Summons and Complaint against a member or person claiming coverage or protection rights under the Joint Protection Program the Executive Director shall, within a reasonable time after receipt of said notice, make a determination of any issue of coverage or right to protection afforded a member or person.
- (b) Upon making a determination of coverage or right to protection under the Joint Protection Program the Executive Director shall notify the affected member and/or person claiming coverage or protection of his determination in writing.
- (c) The written determination of coverage to be prepared by the Executive Director shall advise the affected member and/or person of one or more of the following:
 - (1) Whether the Authority will provide the affected member and/or person legal counsel for defense of the Summons and Complaint;
 - (2) Whether the Authority is reserving any rights to make subsequent determinations regarding coverages or protections to be afforded the affected member and/or person;
 - (3) Whether the Authority is denying rights to coverage or protection to the affected Member and/or person under the Joint Protection Program for the claims made in the Summons and Complaint under review. In the event that coverage for a claim or suit under the Joint Protection Program is denied to a member, the Executive Director shall inform the member in writing of the appeal process contained in Article VI, Section 2 of the Bylaws.
- (d) In the event that the Executive Director determines that the Authority should reserve its rights to make subsequent determinations regarding coverages or protections to be afforded a member and/or person, or; determines that coverages or protections should be denied a member and/or person, then

the written notice of such a determination shall also state in a concise form the reasons for any such reservation of rights or denial of rights to coverages or protections.

- (e) In the event that a final determination of a member or persons rights to coverages or protections under the Joint Protection Program cannot be made by the Executive Director until after the facts of the Complaint are determined in a trial in a court of law or other legal forum, it shall be the duty and responsibility of the Executive Director to make a determination of any undetermined issue of coverage or protection within a reasonable time following the final judgment of the court or other legal forum responsible for determining the facts of the Complaint. Such a determination shall be made in writing to the affected member and/or person and shall contain such necessary information as provided for in Section 1(c) and 1(d) of this Article.
- (f) All written determinations by the Executive Director of issues regarding coverages or protections afforded to a member and/or person sued in a Summons and Complaint shall be deemed final and binding upon all parties to the Joint Protection Program unless an aggrieved member and/or aggrieved person files a timely notice or appeal from the decision to the Board in the manner specified in Section II of this Article.
- (g) The Executive Director shall not be obligated to make any determinations of coverages or protections to be afforded by the Authority to a member and/or person until a Summons and Complaint has been served upon the affected Member and/or person and until the Executive Director has had notice thereof. However, the Executive Director may, in his discretion, issue tentative written determinations of coverage or protection issues before a Summons and Complaint has been filed, when it would appear to be in the best interest of the Authority to make such a tentative and advisory determination. Even if the Executive Director decides to make a tentative determination of a coverage or protection issue he shall remain obligated to provide a subsequent final written determination of coverage or protection issues after a Summons and Complaint has been served and notice thereof provided the Executive Director, as provided in Sections 1(a), (b), (c), (d), (e) and (f) herein.
- (h) The Executive Director may delegate to the Authority's Claims Administrator the authority to make on behalf of the Executive Director reservations regarding rights to coverages and protections provided in the Joint Protection Program.

(New Paragraph (h) created and approved 10/10/85 by Resolution 50-85 effective 10/10/85.)

SECTION 2. APPEAL.

Any written determination made by the Executive Director pursuant Section 1(c) and (d) of this Article denying coverages or protections of the Joint Protection Program to a member and/or affected person shall be final, as provided in Section 1(f) of this Article, unless the procedures for appeal, provided hereafter, are followed by the member and/or person affected by the denial of coverage or protection. The following procedures for such an appeal shall apply in all cases.

- (a) Any member or person aggrieved by the Executive Director's written determination to deny them coverages or protections under the Joint Protection Program may appeal the decision of the Executive Director to the Board.  - (3) Following the presentation of evidence, testimony, argument, and legal authority the Board may retire into executive session to discuss their consideration of the appeal. Thereafter, the Board shall reconvene in public session to consider and vote on any motion made to determine the appeal. The Board may vote to uphold the decision of the Executive Director or to modify or reverse the decision of the Executive Director determining any issue of coverage or protection afforded the appealing party under the Joint Protection Program. The decision of the Board shall be reduced to writing and signed by the President and a copy thereof sent to the appealing party within seven (7) days following the final decision of the Board; and
 - (4) The President may adjourn and reconvene any hearing on an appeal as may be necessary to preserve a fair hearing.
- (f) A final decision of the Board determining an appeal and not granting the appealing party the full relief sought by the appealing party shall not preclude the appealing party from seeking further, de novo, review of the Executive Director's determination and/or the Board determination of the disputed issues of coverage or protection claimed under the Joint Protection Program in any other legal forum or court. However, no member or person claiming coverage or protection under the Joint Protection Program may maintain any lawsuit or complaint against the Authority alleging any improper or incorrect denial of coverage or protections afforded to the member or person under the Joint Protection Program unless

the member or person has first exhausted the remedy of appeal to the Board provided to them herein. Exhaustion of this appeal process shall be a condition precedent to any subsequent legal action or suit by an aggrieved member or person.
