

## 2024 EXECUTIVE COMMITTEE CANDIDATE

### **EXECUTIVE COMMITTEE POSITION #3 OR #4**

---

#### **Christine Scotton; Program Manager; Northshore Parks and Recreation Service Area**

I am excited and grateful for the opportunity to serve on the WCIA Executive Committee. I have worked in the public sector for the past 7 years, the first 5 years as the Facilities Manager for the Port of Tacoma, and now serving as the Program Manager for the Northshore Parks and Recreation Service Area for the past two. I have been in the property management sector for over 15 years. I believe that my work experience as a facilities manager, which deals heavily in identifying and mitigating risks, coupled with my education and knowledge in programs, budgets, and policy, could provide a helpful lens or perspective to the Executive Committee. I look forward to the opportunity to serve and welcome all the support you have to offer!

## 2024 EXECUTIVE COMMITTEE CANDIDATE

### **EXECUTIVE COMMITTEE POSITION #3 OR #4**

---

**Chris Searcy; City Administrator; City of Enumclaw**

I'm honored to be considered for the opportunity to serve as one of our Executive Committee members. I have served in municipal government for over 26 years, all with the City of Enumclaw. The first half were in Public Works with 14 years as director; the most recent 10 years as City Administrator. Enumclaw provides many municipal services including law enforcement, dispatch, corrections, aquatic center, solid waste collection and we are also one of only two cities in the state to operate a natural gas distribution utility. All those services have inherent risk that must be thoughtfully managed along with more standard city functions of land use and transportation infrastructure.

Since becoming Enumclaw's delegate in 2013 I have increased my involvement in WCIA through serving on committees such as Budget, Investment, Long Range Planning and Legislative. I am excited at the opportunity to continue this progression to the Executive Committee. I look forward to being a champion for WCIA in these difficult times for the industry. I would be honored to receive your support to serve WCIA on the Executive Committee.
