

EXECUTIVE COMMITTEE CANDIDATES

EXECUTIVE COMMITTEE POSITION #3, #4 OR #7

**Jenna Richardson; Human Resources & Risk Manager;
Metropolitan Park District of Tacoma**

I am grateful to be considered to serve on the WCIA Executive Committee. I have worked in public sector Human Resources, Labor Relations, and Risk Management for over 20 years and 17 of those have been in Washington state working with a WCIA entity. I am currently the HR & Risk Manager for Metro Parks Tacoma, which provides me with a unique opportunity to see Risk Management from all vantage points. Through my years, I have seen firsthand and appreciated WCIA's commitment to its members through training, development, and support.

As a WAPELRA and NPELRA board member for over a decade, I understand the importance of a committee of members to assist an agency in establishing priorities and service objectives. WCIA's service has been an integral part of building my experiences so I can provide quality experiences to those I serve. I have relied on the training and advice to build my skill set in HR and Risk Management and I know many others have as well.

WCIA is truly a service entity that cares for those they serve. I have built my career on giving back to others and would be honored to serve WCIA on the Executive Committee.

EXECUTIVE COMMITTEE CANDIDATES

EXECUTIVE COMMITTEE POSITION #3, #4 OR #7

Christine Scotton; Program Manager; Northshore Parks and Recreation Service Area

I am excited and grateful for the opportunity to serve on the WCIA Executive Committee. I have worked in the public sector for the past 7 years, the first 5 years as the Facilities Manager for the Port of Tacoma, and now serving as the Program Manager for the Northshore Parks and Recreation Service Area for the past two. I have been in the property management sector for over 15 years. I believe that my work experience as a facilities manager, which deals heavily in identifying and mitigating risks, coupled with my education and knowledge in programs, budgets, and policy, could provide a helpful lens or perspective to the Executive Committee. I look forward to the opportunity to serve and welcome all the support you have to offer!

EXECUTIVE COMMITTEE CANDIDATES

EXECUTIVE COMMITTEE POSITION #3, #4 OR #7

Chris Searcy; City Administrator; City of Enumclaw

I'm honored to be considered for the opportunity to serve as one of our Executive Committee members. I have served in municipal government for over 26 years, all with the City of Enumclaw. The first half were in Public Works with 14 years as director; the most recent 10 years as City Administrator. Enumclaw provides many municipal services including law enforcement, dispatch, corrections, aquatic center, solid waste collection and we are also one of only two cities in the state to operate a natural gas distribution utility. All those services have inherent risk that must be thoughtfully managed along with more standard city functions of land use and transportation infrastructure.

Since becoming Enumclaw's delegate in 2013 I have increased my involvement in WCIA through serving on committees such as Budget, Investment, Long Range Planning and Legislative. I am excited at the opportunity to continue this progression to the Executive Committee. I look forward to being a champion for WCIA in these difficult times for the industry. I would be honored to receive your support to serve WCIA on the Executive Committee.
