

# WCIA's 2024 Fleet and Driver Improvement Program

By Maria Orozco

WCIA believes that fleet risk management awareness and training can help reduce driver-related incidents and mitigate risks associated with auto liability exposures.

Below is a comprehensive list of fleet and driver programs intended to ensure your staff is prepared to deal with the challenges of the roadways and practice safe driving habits to help reduce driver-related incidents. The training is recommended for new employees and seasoned employees who drive for your entity.

## **Upcoming Behind-the-Wheel Driver Skills Course - May 8, 2024**
