

Elevate your supervisor development program with WCIA resources

By Maria Orozco

Supercharge your training development program with WCIA resources designed to equip your leaders for success!

Supervisor's Roadmap

[Supervisor Training & Education Pathways \(STEP\)](#) is an educational roadmap for supervisory success. The training covers topics like transitioning from peer to supervisor, employee performance, managing challenging conversations, and employment law. All sessions are free for WCIA members and upcoming training is available for registration on WCIA [events calendar](#).

Supervisor Credentialing Program

If you are looking for on-demand training that you can complete at your own pace, then the [WCIA Supervisor Credential Program](#) is the perfect option for you. The WCIA Supervisor Credential Program consists of a six-part, on-demand course via the [WCIA Online Academy](#). It covers leadership, communication skills, performance management, leading during times of change, and team engagement. It is ideal for new or experienced supervisors. Best of all, it is free for all WCIA members.

Take the next step—register your leaders for the free education and training programs!
