

Act fast - reimbursement requests due by November 7

By Maria Orozco

The clock is ticking! You have until **5 p.m. on Friday, November 7, 2025**, to submit your reimbursement requests to WCIA. All requests must be submitted in [Origami](#).

Not sure what qualifies for reimbursement? Check out the two programs.

[Training Reimbursement Allotment Program](#): Your organization has a dedicated pool of money for training that can prevent losses and support professional development like certifications, institutes, and academies. The available amount appears on the Origami dashboard.

[Risk Management Training Allowance \(RMTA\)](#): Looking for extra funds? There is a separate bucket of reimbursement funds to help members pay for training focused on reducing risk and liability. Members can receive an allowance of up to \$2,000. This funding is on a first-come, first-served basis. Funds are still available.

Consult with your organization's assigned WCIA Delegate or Alternate to get approval for either program. Don't miss out on funding available to your organization!
