

Deadline alert: WCIA online academy access ends December 31, 2025

By Maria Orozco

WCIA will be ending its partnership with Lexipol/LocalGovU for on-demand training on December 31, 2025. In 2026, WCIA will migrate to Cornerstone, a new platform designed to streamline your learning experience by offering on-demand training and managing registrations for WCIA-hosted training all in one place.

Key Dates and Actions for Members

- **Course Access Ends:** [WCIA Online Academy \(LocalGovU\)](#) will end at **11:59 p.m. on December 31, 2025**.
- **Course Completion Deadline:** Any courses assigned to your staff through the WCIA Online Academy will need to be completed before December 31. We recommend employees finish training earlier in the month to avoid last-minute issues.
- **Training History Reports:** Organization Administrator(s) should download training history reports from the WCIA Online Academy before December 31 to retain records for your organization.

What to Expect During the Transition

- There will be a temporary pause in on-demand training while we migrate to Cornerstone.
- Registration for WCIA-hosted training will remain available through Cvent.
- Upcoming training sessions available for registration can be found on WCIA's [Events Calendar](#).

WCIA appreciates your patience and understanding during this transition. We will continue to update members on our progress and notify you when the new platform is ready. Please share this information with your staff and complete all necessary steps before the deadline.
