

# September online trainings and COMPACT 2020 training deadline

By Patti Crane

## September Online Trainings

September will feature a repeat of Building Supervisory Skills I, II and III as well as Performance Evaluations in the New Normal and the How To's for Supervisors. Coaching, Counseling and Transitioning to Discipline, An Introduction to Risk Management Essentials and Fundamentals of Implicit Bias are new trainings that will also be offered. All trainings will have multiple dates for selection through October, November and mid-December.

## Future Virtual Forums

In August, WCIA hosted a virtual Human Resources (HR) Forum to an exclusive audience of 40 HR professionals. The forum examined law enforcement recruitment, selection, employment, retention, discipline and termination to build a team approach between HR and Police.

An *HR Action Items Checklist for Law Enforcement* identified and outlined steps for HR professionals to review and implement. Additionally, a "Roundtable" with law enforcement and HR professionals will be offered in early October. The intent of the roundtable is to build on the partnership between law enforcement and HR to assist in reducing risk.

Registration announcement for the above trainings will be in your email inbox soon!

## WCIA Partner Programs

WCIA continues to review risk management related webinars and has added to our eligible Reimbursement Programs. For a current list here is the [September 2020 Training Calendar](#) and for a complete list of all Reimbursement Programs check out: <https://www.wciapool.org/education-training>.

## Deadline for Completing COMPACT Trainings

There are still plenty of training opportunities to complete the required COMPACT trainings for 2020. Please visit our website for current trainings and registration: <http://www.wciapool.org/education-training/calendar>. Mid-December 2020 is the deadline for completing all training requirements.
