

2021 Training and Education

To assist members with meeting their 2021 COMPACT training requirements, Member Services is scheduling virtual trainings that support the audit topic areas of: **Personnel, Fleet, and Homelessness**.

Additionally, we are working with our partners to identify virtual training programs that can be added to our **Training Reimbursement Program**. For a current list of WCIA training offerings, supported Training Reimbursement Programs and Cvent Training Courses, please visit the [WCIA website](#).

Once on the website...
