

NEW Changes to the 2021 Training Reimbursement Program

NEW in 2021 the **Training Reimbursement Program** allows members the ability to manage reimbursements themselves utilizing a fixed dollar amount per year! Each member will be allowed up to 1% of their total liability assessment in reimbursement requests to be used towards training reimbursement submittals. Members have the flexibility to decide how they want to use their allotted training reimbursement funds.

- **Members Origami Portal** will provide the previous years' reimbursements and a list of the available **2021 Eligible Training Reimbursements** for review and planning.
- **Member Delegates** are encouraged to connect and coordinate with staff to determine selection of reimbursement submittals and to keep within the reimbursement allowance.
- **WCIA Assigned Risk Management Rep** is also available to assist members in determining how to use available training reimbursement dollars to get the optimum risk management benefit.
- **Members Designated Origami User** (Delegate, Alternate or other assigned user) is responsible for submitting training reimbursements through Origami.
