

Risk Management Credentialing Program

By Patti Crane

Special thanks goes to the Risk Management Committee for their steadfast work in creating the **Risk Management Credentialing Program!** Member Services has the pleasure of implementing this program and here is what you need to know:

1. This self-paced certificate program is available to all WCIA members.
2. No application needed, only attendance to specified trainings is required.
3. Participants will be required to complete a specific number of WCIA courses for each level of achievement.
4. Training reimbursements programs will not qualify.
5. Training completed prior to 2022 is not eligible.
6. Participation will be tracked through Cvent registration and eligibility will be indicated on appropriate training announcements.
7. Participant must request certificate upon completing required courses in each level.

Check out the [WCIA website](#) for more details about the Risk Management Credentialing Program. Please contact [Member Services](#) with any questions.
