

# Congratulations to certificate recipients of the Risk Management Credentialing Program

By Maria Orozco

The Risk Management Credentialing Program is designed to foster a culture of risk management within our membership. WCIA is delighted to share that the program has sparked interest from members.

Congratulations to the following individuals for their accomplishments and a special shoutout to Tyler Christian with the City of Monroe for completing both Level 1 and Level 2.

## Completion Level 1 - Risk Management Fundamentals:

- Shelley Acero, Burlington
- Angie Baird, Snohomish County 911
- Lindsay Blumberg, McCleary
- Tyler Christian, Monroe
- Connie Cobb, Olympia
- Mary Corey, Stevenson
- Sean Krier, Olympia
- Mariah Low, Lake Stevens Sewer District
- Carla Mai, Thurston 911 Communications
- Chuck McEwen, Bonney Lake
- Tellina Sandaine, Sequim
- Kristine Selleck, Tukwila Pool Metropolitan Park District
- Ariel Smith, Long Beach
- Melisa Vaal Folmer, Bremerton

## Completion of Level 2 - Risk Analysis and Implementation:

- Tyler Christian, Monroe
- Shawn Doering, College Place

All member employees are eligible and encouraged to participate in this program. There are four required courses to complete for Level 1 and six required courses to complete for Level 2. The program is self-paced. Click [here](#) for the complete guidelines on the Risk Management Credentialing Program.

When Level 1 or 2 requirements are complete, fill out the [Risk Management Credentialing Program Certificate Request](#).

Not sure if the courses that you have attended qualify? See the next pages for the past sessions that qualify towards certification at each level. Contact the WCIA Member Services Team at [memberservices@wciapool.org](mailto:memberservices@wciapool.org) with any questions.

# Risk Management Credentialing Program
